Postgraduate Programmes
2013 - 2014
offered in collaboration with overseas universities
The mission of School of Continuing and Professional Education is to provide quality continuing education for professional practice, retraining and self-development which anticipates and responds to community needs and the effects of social and technological changes. The continuing and professional education programme is one of the most important channels by which the City University of Hong Kong can offer access to its human, physical and technological resources for the advancement of society. The School is committed to freedom of enquiry and the pursuit of excellence in teaching and to interaction with the community.

Welcome Message
Thank you for your interest in our Postgraduate Degree programmes and welcome to the School of Continuing and Professional Education (SCOPE) of the City University of Hong Kong!

Since its establishment in 1991, CityU SCOPE has been a pioneer and major provider of quality continuing and professional education in Hong Kong. As a facilitator of lifelong learning, we offer a wide range of quality programmes for professional education, professional practice, retraining and self-development which anticipate and respond to community needs as well as the effects of social and technological changes.

Jointly offered with our non-local university partners, our Postgraduate Degree programmes are academically sound and career-relevant. Apart from enhancing the participants’ domain knowledge of the specialized subject areas, these programmes also provide the participants with a competitive edge in their profession for career change or advancement.

The well-qualified teaching teams from CityU SCOPE and our partner universities fully understand the needs of the participants and the difficulties they encounter. The satisfactions of the participants across our programmes and their performance in meeting the challenges in the dynamic workplace are testimonies to our success as a provider of quality education.

Thank you for giving us the opportunity to share with you our accomplishments and aspirations. For further information on our Postgraduate Degree Programmes, please visit our Web at www.scope.edu/postgraduate. We hope that you will be interested in learning more about our quality programmes for our learning participants, who will enjoy their time with us as they learn, grow and succeed!

Louis C.K. Ma, PhD
Acting Director
School of Continuing and Professional Education (SCOPE)
City University of Hong Kong

January 2013
MSc International Business and Management

De Montfort University

De Montfort University (DMU) is a university of quality and distinctiveness. DMU has a history of offering high quality teaching for well over 100 years and is nationally and internationally recognised as a centre of excellence in disciplines including Accounting, Business, Finance, Management, Marketing, Human Resource Management and Public Policy.

Leicester Business School, is one of the largest providers of business and management education in the UK, and enjoys close links with major UK professional bodies, industry and the public sector. The School has over 150 academic staff and around 4500 students studying undergraduate, postgraduate, research and professional programmes.

Recent achievements:

• DMU’s management courses were ranked third for overall student satisfaction in the latest National Student Survey 2012. Finance and Politics programmes were also ranked in the top 10 nationally in the survey.

• Rated "excellent" for teaching and student support by the Government’s Quality Assurance Agency (QAA).

• Research of international excellence in the most recent national Research Assessment Exercise (RAE).

www.dmu.ac.uk/business
Programme code: 133-29360  Duration: 2 years

About the Programme
The programme provides graduates with a competitive edge in today’s international market with an advanced knowledge of business and management principles, through both practical application and theory. Upon successful completion of the programme, graduates will be able to demonstrate the ability to deal with complex issues in business and management, both systematically and creatively. They will also be able to undertake a detailed research project into an area of international business.

Programme Structure
Students are required to complete 8 taught modules (120 credits) and a dissertation which is equivalent to 4 modules (60 credits).
- Critical Perspectives in Global Management
- International Strategic Management, Markets and Resources
- Accounting for Managers
- Operations and Human Resource Management
- Research Methodology
- Strategic and Financial Decision Making
- International Marketing and Ethics
- Managing the Client Experience and Expectations
- Dissertation (equivalent to 4 modules)

Entry
- A minimum of a lower second Honours Degree (or equivalent) in any disciplines from a recognised university; or
- A professional qualification deemed to be of equivalent standing; and
- Appropriate work experience at a professional level.
Applicants whose degree/qualification was not taught and assessed in English may be required to demonstrate an English Proficiency equivalent to IELTS 6.5 or TOEFL of 600.
Applicants may be required to attend an admission interview.

Special Features
- A mixed of teaching expertise: UK academics and HK practitioners.
- Student experiences be enriched by the international learning environment.
- Students are guided along their Personal Development Planning (PDP) in the course of their study.
- Career enhancement for recent graduates in a global job market.

Fee: HK$114,000
Commencement: September 2013

Programme code: 133-29370   Duration: 12 - 18 months

About the Programme
This programme provides a fast-track route for holders of selected professional qualifications to attain a Master's qualification. It aims to help students to meet the demand for global competition coupled with continuous development in Business Management in today's business world.

Upon successful completion of the programme, graduates will be able to show the ability to employ advanced skills to conduct research, and to evaluate such research in a critical and analytical manner. They will also be able to deal with complex issues of management, both systematically and creatively.

Programme Structure
Students are required to study 90 credits including Critical Perspectives in Global Management (15 credits), Research Methodology (15 credits), and a Dissertation (60 credits).

Entry
• Postgraduate diploma/recognised professional qualifications at postgraduate level, such as CPA, ACCA, AIA, CIMA; and
• Appropriate work experience at a professional level.

Applicants whose degree/qualification was not taught and assessed in English may be required to demonstrate an English Proficiency equivalent to IELTS 6.5 or TOEFL of 600.

Applicants may be required to attend an admission interview.

Teaching
Modules are taught by De Montfort University staff in Hong Kong by intensive blocks.

Fee: HK$57,000
Commencement: September 2013
Website: www.cityu.edu.hk/ce/dmumsc
Enquiries: (Tel) 3442 2369 / 3442 4945 (Email) team1@scope.edu

Special Features
• A fast-track route for holders of professional qualifications to attain a Masters qualification.
• A highly intensive programme provides an international learning environment.
The University of Central Lancashire (UCLan) has developed into one of the UK’s largest universities with a student and staff community numbering 38,000. In all national newspaper league tables, UCLan has been the leading modern University in the North West of England for five out of the last six years. The University has academic partners in all regions of the globe and it is on a world stage that the first class quality of its education is now being recognised. The University offers a portfolio of over 500 high calibre degree courses and approximately 180 taught postgraduate programmes for students with the attitude to achieve. In the recent Research Assessment Exercise, all 17 subject areas submitted were rated as containing research of international excellence while 11 areas were assessed to be undertaking research which is world-leading.

Recent achievements:

- Ranked 10 in General Engineering (The Guardian University Guide 2013)
- Ranked 24 in General Engineering (The Complete University Guide 2013)

www.uclan.ac.uk
Programme code: 133-29190  Duration: 2 years (Part-time)

About the Programme
This broad-based programme is designed for students who have successfully completed a bachelor's degree in an engineering related discipline or equivalent and aims to provide an integrated programme for broadening their knowledge in a quality environment.

The major aim of the programme is to provide an education opportunity for engineering graduates who will be capable of accepting extensive management responsibilities, undertaking independent and critical thinking, thus enhancing and extending their intellectual development whilst becoming conversant with the nature of the industry. This will develop their ability to arrive at optimum solutions to complex engineering, technological, organisational and managerial problems. The programme will:

i. encourage students to approach their academic and subsequent professional careers as creative and innovative managers and engineers;
ii. ensure that successful graduates will have the potential to contribute to significant advances in engineering and technological and social issues associated with the fire industries; and
iii. be as top-up course for non-fire engineering degree to meet Fire Engineering discipline requirements of Professional Engineering Institution.

Programme Structure
The programme includes 8 modules (180 credits) studied over six semester.

• Fire Protection Strategies
• Research Methods
• Risk Assessment & Management
• Advanced Engineering Design Project
• Fire Engineering Solutions
• Fires in Buildings
• Computational Fluid Dynamics
• Fire Engineering Dissertation (Double-weighted)

* The module combination and teaching sequence are subject to revision by UCLan.

Entry
Holders of Bachelor’s degree in Fire Engineering, Building Engineering, or other related disciplines.

Applicants whose undergraduate qualifications were not taught and assessed in English may be required to demonstrate their English proficiency equivalent to IELTS 6.5.

Interview / Written Test may be arranged for applicants.

Teaching
Lectures & tutorial classes are delivered by UCLan academic staff and/or qualified local instructors.

Fee: HK$90,000

(*Applicants with valid IFE Membership will have 5% discount on programme fee)

Commencement: September 2013

University of Wolverhampton

University of Wolverhampton (UoW) is one of the largest universities in the UK with over 22,000 students. In the latest National Student Survey, students responded that their confidence, communication and problem solving skills were improved through their study and overwhelmingly praised the UoW’s learning resources.

The Department of Law is part of the School of Law, Social Sciences & Communications, it has over thirty years’ experience of providing relevant, dynamic and forward-thinking legal education, running courses ranging from LLB (Hons), Legal Practice Course, LLM Professional Practice as well as courses in Criminal Justice, Business and Law, Construction Law and European Law at Undergraduate and Postgraduate levels. The department is active in a number of research areas, including Insolvency Law, Company Law, Finance Law, Trade Law and Criminal Justice.

You will be taught by a diverse group of academics with expertise in both national and international law. Our programmes are designed to be practical and relevant to the current legal and commercial environment.

www.wlv.ac.uk
Programme code: 133-29230  Duration: 2 years

About the Programme
The LLM in International Corporate and Financial Law programme is designed for people in the field of law, banking and financial services for their career development and advancement. It is also relevant to individuals who hold corporate positions such as corporate treasurer.

Upon completion of the programme, students will have a deeper understanding of the importance of an overall commercial awareness necessary for the areas of international banking and finance.

Furthermore, they will have developed an international insight by the comparative approach adopted through discussion from the Chinese, English, European and American perspectives.

Programme Structure
The programme comprises 6 modules (120 credits) and a Dissertation (60 credits).

Core modules (20 credits each):
- International Commercial Awareness
- Financial Services and Financial Crime
- Advanced Legal Research Methods
- International Corporate Governance
- Contract Planning and Claims Mitigation
- Law Relating to Capital Markets and International Banking

Dissertation (60 credits)

CEF reimbursable modules

Special Features
- Conducted by UK staff in a block delivery mode allowing better time management for study and work.
- Students may apply for an intermediate award of Postgraduate Certificate and Postgraduate Diploma after completion of the required credits.
- Preparatory session offered to students whose entry qualification is not in law.
- Students have access to CityU’s Run Run Shaw Library and its Law Section; and Online Learning System WOLF, and electronic legal resources of the University of Wolverhampton.

Entry
Applicants should hold:
- An appropriate honours degree (e.g. an honours degree in law, finance or accounting); OR
- A professional qualification deemed to be equivalent to an appropriate honours degree; OR
- Qualifications and experience deemed to be equivalent to the above.

Applicants whose degree/qualification was not taught and assessed in English may be required to demonstrate an English proficiency equivalent to IELTS score 6.5.

Applicants may be required to attend an admission interview as part of the selection process.

Teaching
100% by UK academics.

Fee: HK$99,840
Commencement: October 2013

It integrates cutting-edge Western and Asian psychological theory, research and application pertaining to clinical psychology, assessment, and psychological intervention with different populations in a wide range of settings.

Programme Structure
The programme consists of 120 credits, with 78 credits for 26 taught courses and 42 credits for clinical training of at least 2,600 hours.

Year 1 (27 credits on 9 taught courses, 3 credits on practica)
- Statistics
- Research Methods and Principles of Research Design
- Psychodiagnostic Assessment I
- Theory & Technique of Clinical Practice - Cognitive / Behavioral
- Psychometrics and Advanced Statistics
- Advanced Psychopathology
- Observation and Interviewing
- Lifespan Developmental Psychology
- Cognitive & Affective Bases of Behavior
- PsyD Practicum I

Year 2 (24 credits on 8 taught courses; 9 credits on practica)
- Professional Ethics and the Law
- Theory and Techniques of Clinical Practice
  - Child Psychotherapy
  - Psychodynamic
  - Family Systems
- Social Bases of Behavior
- Psychodiagnostic Assessment II
- PsyD Research Proposal Design I
- PsyD Research Proposal Design II
- PsyD Practicum II, III & IV

Year 3 (21 credits on 7 taught courses; 15 credits on internships)
- Theory and Technique of Chinese Clinical Practice
- PsyD Dissertation I
- PsyD Dissertation II
- Biological Bases of Behavior
- History and Systems of Psychology
- Advanced Clinical Seminar I
- Advanced Clinical Seminar II
- Half Time Internship I, II & III

Year 4 (6 credits on 2 taught courses; 15 credits on internships)
- Advanced Clinical Skills
  - Psychopharmacology
  - Neuropsychology
- Half Time Internship IV, V & VI

Entry
• Bachelor’s Degree from an accredited university with a major in psychology or a related field and 3.0 grade point average (GPA) or equivalent.
• Degree holders in non-psychology major will be required to take bridging courses if admission is granted.
• Qualified applicants who hold a Master’s Degree in Psychology or equivalent qualification in relevant discipline (e.g. educational psychology, clinical psychology, counseling, counseling psychology, family therapy, social work) would normally receive some credits exemption.

Teaching
Lectures, practica and internships are supervised by AIU staff and qualified local academics.

Fee:
- Year 1: HK$128,400
- Year 2: HK$145,800
- Year 3: HK$163,200
- Year 4: HK$100,200
(Fees will be charged two installments each year)

Commencement:
September 2013

Website:
www.cityu.edu.hk/ce/psyd

Enquiries:
(Tel) 3442 8756 / 3442 5808
(Email) psyd@scope.edu

Special Features
- This program is designated by National Register (US) and accredited by Western Association of Schools and Colleges (WASC).
- Opportunities to obtain a US Clinical Psychologist license – advance your skills through the opportunity to spend a year in the US and receive a pre-doctoral internship training in reputational organizations.
- Allow Bachelor degree holder entry as the curriculum included both Master and Doctoral level training.
The University of Bristol

The University of Bristol is internationally acknowledged as one of the UK’s leading universities. There are 60 departments and 15 research centres in the University which are arranged in six faculties. In recent teaching and research assessment exercises, the University has performed exceptionally well, with most of its principal departments being regarded as national or international centres of research and teaching excellence. The University of Bristol was ranked 28th in the latest QS World University rankings.

The Graduate School of Education

The Graduate School of Education will celebrate its Centenary this year. It has been offering a Master’s degree in Education Management for many years and its alumni are to be found in senior educational leadership positions throughout the UK and in over 70 countries world-wide. The Graduate School is one of the leading centres for study and research in Education in UK. It offers a wide range of programmes at postgraduate certificate, Master’s (MEd & MSc) and Doctoral (EdD & PhD) levels as well as short in-service courses and consultancies.

The Graduate School of Education was ranked in the top five education departments in the UK in the most recent Research Assessment Exercise, for the quality of its research. Equally importantly, it also received the maximum score of 24 out of 24 for the quality of its teaching in the Teaching Quality Assessment in UK.

www.bris.ac.uk
Programme code: 133-29070  Duration: Minimum 3 years
