

2023 HSBC Insights into Asia Series – Opening Up A World of Opportunity

Whatever degree discipline you are studying, your skills and passions have a place at HSBC. With our Insights into Asia series, you can learn about the opportunities and benefits of working in international banking, and meet world-class business leaders who share an interest in your career. These sessions will also help give you a head start ahead of our 2024 graduate and internship applications opening this August.

We have a lineup of exciting virtual sessions covering interesting topics such as Fintech and Environmental, Social and Governance (ESG) as well as various lines of business in HSBC specifically Global Banking & Markets and Wealth & Personal Banking.

We're operating on a first-come, first-served basis. Register now via the QR codes below and we will send you the zoom link(s) with joining instruction for your chosen session(s) via email. Please note that these sessions will not be recorded, so we cannot circulate them after they have taken place.
